2. A provision for staff, resources, and support to achieve stated expectations and purposes;  
and
3. A plan for evaluating instructional programs and services to determine how well expectations and purposes are being met.

Parents who wish to examine any assessment materials may do so by contacting the Superintendent. Parental approval is necessary before administering an individual intelligence test or a diagnostic personality test. No tests or measurement devices which include questions about a student's or the student's family's personal beliefs and practices in family life, morality, and religion will be administered, unless the parent gives written permission for the student to take such test, questionnaire, or examination.
