

Enrollment Information:

Enrollment is limited to maintain low student to staff ratios!

Enrollment forms will be accepted beginning April 10th and can be found our webpage or by contacting Terri Hartly.

Completed enrollment forms can be emailed to

Terri.Hartly@livingston.k12.mt.us or dropped in the mailbox at Washington School.

Priority will be given to:

1. Children who attended LINKS regularly in the past year & are current in payment.
2. Children attending multiple sessions.
3. Children who are referred by school staff.

CAMP FEES:

* \$100/child; ½ price for siblings.

*Scholarships are available!

- * Children who qualify for free/reduced priced meals attend free of charge.

Notification of Scholarships and Enrollment status beginning May 18th!

Refund/Cancellations:

- * 31 day notice is required for any refunds minus a \$30.00 processing fee.
- * Payment for all weeks a child is originally signed up for is required regardless of "No shows" or change in plans!

LINKS for Learning

Summer LINKS 2020 Enrichment Program for children entering grades 1-5

June 15-August 7

LINKS for Learning
is a program of the Livingston School District

Summer LINKS 2020

Summer LINKS will take place weekdays from 7:30 a.m. to 5:30 p.m. Frequent field trips will allow students to explore their community and surrounding areas. Experienced LINKS staff working with community partners will organize and lead activities. Sessions will include healthy breakfasts, lunches and snacks. Free play time will complement organized, structured activities as well as academic review. Children in 3rd—5th grades will have the opportunity to manage and operate the LINKS booth at the Farmers Market again this year!

Program Goals

- Strengthen language and math skills to prevent “summer slide”
- Increase participants’ knowledge of and appreciation for the natural world
- Engage children ages 6-12 in outdoor learning experiences
- Engage children in community based service learning projects
- Offer children the opportunity to experience life-long recreational activities

Explore!

Session 1: June 15—June 26

A Bug’s Life!

Discover the role little critters play in our ecosystem! Dancing honey bees, armored crickets and fluttering butterflies are just some of the creatures waiting to meet you! Get your hands dirty planting a pollinators garden and learn how bugs produce some of your favorite foods!

Session 2: July 6—July 17

Get Lost in Montana!

Dive in and explore the wonders of this beautiful state we call home! How does Montana’s wildlife, geography, and history effect our lives today? Trains, the wild west, native animals and plants are just a few topics we will explore during this session!

Session 3: July 20—July 24

GO Team!!

Run, Jump, Swim!! You’ve got what it takes to meet the challenge. COVID19 won’t stop us. Prepare to dream BIG and go far as we create our own version of the Olympics!

Medals will be awarded!

Session 4: July 27-August 7

Wet and Wild!

Swoosh, bubble, gurgle and splash! Prepare to get wet as we explore local ponds, streams and rivers in search of microscopic life. A fun, hands-on learning experience exploring the properties of water, water conservation, aquatic ecosystems while cooling off!

LINKS for Learning!!

LINKS for Learning is an after-school and summer enrichment program for elementary school students. Partially funded by a 21st Century Community Learning Centers grant, LINKS is committed to providing quality, affordable out-of-school time programs for Livingston’s children and families. LINKS activities are designed to encourage success in school, a lifelong interest in learning and a commitment to community involvement. LINKS for Learning has been providing quality programs for children in Livingston since June, 1999.
