My Responsibility as a School District Bus Student

1. I will follow the directions of the bus driver.

I will sit quietly and listen to instructions.

I will follow directions immediately and without question when there is an emergency.

My safety and the safety of the other riders could depend on my careful listening!

2. I will always be 5 minutes early for my bus.

I will wait quietly at least 10 feet from the edge of the road or street.

3. I will be respectful of the bus stop area and other students waiting for the bus.

I understand the bus stop areas are private property. I will keep them litter free.

4. I will board the bus and be seated quickly.

I understand that my delays cause other to wait.

5. I will be safe while riding the bus.

I understand that roughhousing, changing seats, loud disturbances, foul language, yelling, and whistling are distracting to the driver and could put myself or others in danger.

6. I will remain in my seat until the bus has come to a complete stop.

7. I will keep food and drinks in closed containers and inside of backpacks or lunch boxes.

8. I will remember that school rules apply on the bus as well as school property.

9. I will remember that I will have to pay for any damage I cause to the bus.

10. I will not throw objects from the bus windows. Throwing objects out the bus windows could put other motorists and pedestrians in danger.

I will remember that everyone has the right to a SAFE and PLEASANT ride to and from school.
